## WELSPUN LOGISTICS LIMITED

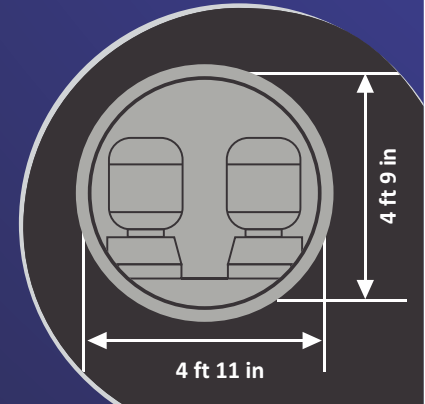

Welspun Logistics Ltd (WLL) is the part of \$3 billion Welspun Group. WLL offers the guests World Class business jet service to help you travel comfortably and make use of most of your time.

WLL is an NSOP operator since 2008, connecting all major cities across India and neighboring countries. Apart from connecting the major cities of India you can also fly from Mumbai to Bangkok, Maldives, Bangladesh and Colombo among others. Our next generation fleet includes the Hawker 400 XP offering our guests a world class air travel solutions. WLL's highly trained flight crew, help you fly at your convenience - anywhere, anytime.

Safety of our customers is of paramount importance. This is the reason why we have the stringent maintenance and operating procedures. When it comes to safety we never compromise.

## Salient Features of Hawker 400XP

The Hawker 400XP provides maximum comfort, travel ease and best use of your valuable time.

Blending superior construction and efficient engineering, the Hawker 400XP's unrivaled quality and dependability makes it a sound choice for business flyers around the world. Furthermore, the Hawker 400XP is the fastest light business jet in its class. Hawker 400 XP offers sophisticated flexibility and spacious cabin. With meticulous design and craftsmanship, the unique "squared oval" cabin delivers more head and shoulder room for up to seven passengers, creating an ideal atmosphere for business travel and in-flight meetings.

### Key Highlights:

- With a high-speed cruise of 450 km/hr and unique swept wing design, the Hawker 400XP is 35 knots faster than the fastest aircraft in the same category.
- Advanced construction, such as fail-safe design, a swept two-spar wing structure, etc make the Hawker 400XP a wise choice.
